FROM THE MENTOR

“The opposite of poverty is not wealth. In too many places, the opposite of poverty is justice”

At The Centre For Advanced Tutorials we understand that the world is in urgent need of intellectual and professional attention, and we believe that our students will rise to that call. With this mind, we continue to march steadily towards our aim to provide responsible citizens who will participate in nation building.

The Centre For Advanced Tutorials is committed to providing students with the knowledge, tools and facilities required for them to be at the forefront of tackling the social and moral problems of the day, while helping them lead the complex transformation that current environmental and socio-political challenges pose for our societies, especially in the developing world.

“For every one of us that succeeds, it's because there's somebody there to show you the way out” we're one of them.
